Verse 1

I sit alone in my bedroom,
staring at the walls.
I’ve been up all damn night long.

My pulse is speeding.

My love is yearning.

I hold my breath and close my eyes and dream about her.
She holds my malakite

(let ring) cause she's two thousand light years away.

Verse 2

2. I sit outside and watch the sun rise, look out as far as I can.
I can't see her, but in the distance I hear some laughter, we laugh together.

(w/feedback)
3. I sit alone in my bedroom, staring at the walls.
I've been awake damn night long:

My pulse is speeding.

My love is yearning.

I've been awake damn night long:

My pulse is speeding.

My love is yearning.
