The image contains sheet music notating a section of music titled "THE WORLD NEEDS A HERO - Megadeth." The section labeled "Pre-Chorus" is shown with tablature notation for guitar parts labeled "Grts I, II" and "Gtr III." The music notation is written in standard notation and includes symbols for frets and strings. The section is then followed by a "Chorus" label, indicating a repetition of a section or a change in the musical structure. The notation continues with similar formatting for guitar parts and fret assignments. The bottom of the page contains a footer indicating the source of the tablature editor as "Generated using the Power Tab Editor by Brad Larsen. [Link to Powertab.guitarnetwork.org]"
