SLEEP NOW IN THE FIRE
As recorded by Rage Against The Machine
(from the 1999 Album "The Battle Of Los Angeles")

Words by Zack De La Rocha
Music by Rage Against The Machine

A Intro

\[ \text{Tempo} = 128 \]

Music notation and tablature.
**Guitar Solo**

Morello creates the rhythm for the solo using the on/off toggle switch and the whammy bar.

Morello gets really close to his amp in order to generate fdbk, and the A.H. represent the fdbk tone of A which is 3 octaves higher than the pitch of the open A string.
